But Sprague was a slippery custo- of the society, surrended any part of his legimer. and after putting it off two or three times, timate profits to a manager who accepts a play

> finally attempted to rid himself of his obligat of his. To understand this, it must be explained tions by repudiating them. Hence these tears. that Parisian managers never pay a lump sum Now Sprague, in defence, attempted to prove for a play. There is a fixed tariff, which varies that Miss Craig was unchaste, and the witnesses | according to the length of the piece; the usual he produced for this purpose failed so signally terms being from 2 to 3 per cent. on the gross in persuading the jury of the truth of their story. amount of the night's receipts for a comedy that they returned a verdict, given the plaintiff in one act. 4 to 6 per cent. for a piece the whole amount of damages claimed. There in two acts, and 8 to 12 per cent. for a play can be no doubt that this verdict was intended in three acts or more. It sometimes happens,

> as much as a rebuke to the groundless attack, however, that in order to get a play accepted. dency of juries in relation to such cases is, of his dues, and to receive, for instance, 5 per however, so different, that it is evident the testi- cent. instead of 10. Cases of this kind are mony must have been very bad-for the defence. tolerably frequent, notwithstanding that every

Quite a commotion was produced here a few nounced as noting in collusion to clude the evenings since by the quiet visit of the Ladies statutes, but it had always been impossible to Phalanx at the billiard saloons. As far as we establish the offence until last month, when can ascertain, a scoret society of about one M. Moreau Sainti, the manager of the Folies hundred, comprising most of the leading re- Dramatiques, allowed himself somehow to be spectable women of the village, has been silently caught. It was clearly proved that he was formed during the past spring, without the giving an author 3 per cent, instead of the 9 per knowledge of the other sex (including some cent which was his due, and the society fined him within, but composed mostly without the 20,000 france (£800). This M. Sainti refused Templar organization), for the purpose of con- to pay, and it was then that the society put sultation, and taking such influential measures him under an interdict. The consequences of as might be deemed most proper to resist the an interdict are not pleasant, for they ent off drug stores. The two principal gambling sa- either to go on performing the plays which loons, located on the principal street, are have already been ceded to him by treaty, or furnished in the most elegant and attractive to fall back upon the works of young and obstyle, with ample room for idlers and loun- scure writers. Failing these alternatives, he gors -a billiard-room in front, and a copiona must shut up his house. The last time an inbar at the side, with private card rooms in the terdict was pronounced before this was in 1840, rear. They are kept by experienced managers, on M. Poisson, manager of the Gymnase. M. and attract the married and single men and Poisson struggled on bravely for a while, playyouth of the town and surrounding country. ing comedies by a young man whom he picked

occasion for the grand denouement. From seventy to cighty of these ladies; without the sons Drowner -- At Krenholm, near Narva, knowledge of the society, left the lecture hall in Russia, a number of persons having collected and silently marched to and entered one of the on a bridge, the parapet gave way. Sixty-five in substance, that they had come: in behalf of LIGITOR.—Mr. Needham, a solicitor in extensive themselves and other ladies, to bear their testi, practice in Burningham, was on the 14th July mony against the business of the salound

that these premises as one building would not the spot, chain-gang chow-chow found expen- ELECTRICITY IN MEATS AND DRINKS of raisins with almonds, salad with oil, are produced by a need of the electro-negative and the electro-positive together. It even seems that Sam Weller was not so very far wrong when he spoke of drinking his ale from "the native newter," for there is in that metal a combination with the beer that renders the beverage more agreeable. By such peculiar laws does

nature do ber work.
